

## **Martin Family Fellowships in American Studies**

*The Martin Family Fund* provides support for students in American Studies to work independently. You may apply for up to \$500.00 (with some extraordinary exceptions) for travel, research expenses, **equipment (which will belong to the program)**, and including copy/photo/video costs. You will receive 80% of the submitted requested funds, only if they are accompanied by receipts. You will receive the final 20% of your requested funds when you file a three page report with photographic documentation (at the request of the Martin Family) at the completion of your project.
