Neuroscience Senior Exercise Topic Approval Form

Student’s Name:_______________________________________________________________________

Tentative Title of the Research Proposal:

In the box below please give a 1–2 paragraph summary of the topic of your research proposal, perhaps indicating the possible hypothesis(ses), subjects, and/or general methodology to be used.

After discussing the topic/hypothesis(ses) with the student, we consider the topic/hypothesis(ses) to be sufficiently different from previous assignments and appropriate for the Neuroscience Senior Exercise.

Signature of Senior Exercise Advisor  Signature of Committee Member

*Note*: Significant departures from the approved topic may require the submission of a new Topic Approval Form.
