Orientation 2009
Your introduction to Life at Kenyon
A Welcome to New Students

Greetings, Class of 2013 and transfer students! The next few days of Orientation will be filled with informative sessions and engaging activities aimed at helping you learn what to expect during your college career at Kenyon. There is a lot to learn about life on our hill, but we have taken steps to make the journey as easy and enjoyable as possible.

This schedule is an important reference for all that will be happening. Keep it with you at all times during Orientation and refer to it often. Mandatory events are highlighted throughout the schedule, so be sure to attend these activities.

We commit ourselves to a partnership with you as you grow and develop to your full potential as a Kenyon student. Enjoy this time. And remember: you are not alone. Give us a call or visit us anytime.

Again, welcome to the Hill!
At this location you’ll find the following offices and activities:

- **Family hospitality center:** Enjoy refreshments and meet members of Kenyon’s Office of Alumni and Parent Programs.
- **Student K-Card (identification card) pick-up:** If you did not send in a photo for your ID card, you may have one made at Campus Safety (46).
- **Computer assistance:** Information available about Kenyon’s computer network and about the “SNAP Connect” packet in your residence hall.
- **Student employment:** A representative from the student employment office will be available to answer any questions about on-campus jobs and to process the federal forms required for employment. Bring a driver’s license or student ID and your birth certificate or social security card, or, alternatively, a valid passport.
- **Bicycle registration and car registration:** Student K-Card (identification card) pick-up.
- **Student employment:** All new students first report to Gund Commons, at the corner of Brooklyn Street and Gaskin Avenue, for check-in. We encourage an early check-in, which allows students time to unpack and parents time to attend the parent orientation session at 11:00 a.m. Gund Commons (56).

### Thursday, August 27 • Orientation Day One

**8:00 a.m.-11:30 p.m., Registration/Check-In**

Horn Gallery (30)

LATE-NIGHT EVENTS
10:30 p.m.-midnight, Second City Comedy
Chicago’s legendary comedy troupe The Second City comes to Gambier as part of their 50th anniversary tour. Founded in Chicago in 1959, alumni of The Second City include Joan Rivers, John Belushi, Tim Meadows, Chris Farley, Mike Myers, Stephen Colbert, Tina Fey, Steve Carell, and many others. Join us for what promises to be a hilarious night of cutting-edge satire, sketches, songs, and improv! Co-sponsored by Orientation, Social Board, Student Activities, and ODADAS.
Rose Hall (16)

10:30 p.m.-Midnight
Gund Game Room open.
Gund Commons (56)

Tip: Get involved
Kenyon has over 150 registered student clubs and organizations. The activities fair (September 5) is a don’t-miss event and a great opportunity to find your niche at Kenyon.

Tip: Invest yourself in the community!
Kenyon is surrounded by a rich local culture, and there are always opportunities to get involved. Visit one of the local farms, or even help to harvest a crop! Purchase food from the Mt. Vernon farmer’s market on Saturday mornings, and you’ll meet new friends at the same time. Later in the fall, pick apples with friends at a local orchard. Glen Hill Orchard is located just two miles from campus, on Glen Road.

Tip: What’s for dinner?
Wondering what will be served in Peirce today? Call extension 6368 or visit http://kenyon.avifoodweb.com.

Tip: The environmental center
Visit the Brown Family Environmental Center, just a short walk down the hill and across Route 229. The BFEC has several stunning gardens as well as a network of hiking trails. Use the BFEC to get better acquainted with the area, or just to go exploring.
Sunday, August 30 - Orientation Day Four

2:30-4:30 p.m. Registrar’s Office in Edwards House (25) open.

10:00 p.m.-1:30 p.m., Creative Dating, with David Coleman
David Coleman is known across the country as “The Dating Doctor.” He offers a high-energy, humorous approach to the college social scene. Our students consistently rank this session as one of the best events of Orientation. Don’t miss the fun! Rosse Hall (16)

10:00 p.m.-Midnight
Gund Game Room open. Gund Commons (56)

Monday, August 31 - Sunday, September 6 • The First Week of Classes

MONDAY, AUGUST 31

9:00 a.m.-10:00 p.m., Poster Sale
Black Box Theater/Old Bank Building (47)

1:00-3:00 p.m., Craft Center Open House
Meet the craft instructors, learn about the fall workshops, and, if you’re interested, sign up for classes, which begin the week of September 7. Classes will be offered in stained glass, knitting, photography, pottery, silver jewelry, quilting, weaving, and wood-working. No experience required. Craft Center (67)

TIP: Focus on wellness
Walk to class. Kenyon is a walking campus! The easiest way to incorporate exercise into a busy lifestyle is simple: walk your way around campus!

Get some sleep! Lack of sleep doesn’t just mean trouble paying attention in class or accidental naps during study time—it also affects you emotionally. Lack of sleep can aggravate depression or homesickness and tends to make you irritable, so get the sleep you need!

Know your limits. Set a schedule for work and study—and really stick to it—but don’t forget to give your mind a break. Know when your mind is most active, and set your work time within those hours. When you start to wear out, know when to take a break!

9:00 p.m.-Midnight, Bonfire and Capture the Flag
Join us on south campus for a bonfire (smores provided!) and campus-wide game of capture the flag. Sponsored by Social Board

SUNDAY, SEPTEMBER 6

11:00 a.m.-1:00 p.m., Bagel Brunch
Stop by Hillel House for bagels, your favorite spreads, and beverages, and learn more about Jewish life on campus. Hillel House, 103 West Brooklyn Street (48)

1:00-3:00 p.m., Craft Center Open House
Meet the craft instructors, learn about the fall workshops, and, if you’re interested, sign up for classes, which begin the week of September 7. Classes will be offered in stained glass, knitting, photography, pottery, silver jewelry, quilting, weaving, and wood-working. No experience required. Craft Center (67)
Placement Testing Information

Placement examinations and questionnaires are administered for the purpose of assisting you in selecting the appropriate courses given your background and experience. They are not meant to create unnecessary anxiety for you, so relax and approach them in the spirit in which they are intended. Placement examinations are given according to the published schedule on Friday, August 28.

Modern and ancient languages: Proficiency/placement examinations in French, German, Latin, and Spanish will be given on Friday, August 28. All students who have studied French, German, or Spanish must take the exam unless they have received a score of 3, 4, or 5 on the Advanced Placement (AP) exam, or a score of at least 540 on the SAT II exam. If you do not have prior experience with the language you wish to study, you do not need to take the proficiency/placement exam. Simply enroll in the introductory course for that language. Students wishing to demonstrate proficiency in a language other than French, German, or Spanish should consult the chair of the Department of Modern Languages. Students with questions regarding Latin should consult with Adam Serfass, chair of the Department of Classics, or come to the Latin placement test on Friday, August 28 at 8:00 a.m.

Chemistry: All students who plan to take a chemistry course during their first year should take the readiness exam during orientation week by Friday, August 28. The exam is available online at http://chemistry.kenyon.edu and can be taken any time after you have received your Kenyon network ID.

Mathematics: If you are not certain whether you are prepared to take mathematics at Kenyon, there is a math readiness exam on Friday, August 28, from 4:00 to 5:30 p.m., in Higley Auditorium. This exam is selfgraded, and there will be mathematics faculty available at the exam site to help you interpret your score.

If you have never taken any calculus and are uncertain whether you have the precalculus background needed to begin in Calculus A, you might consider taking the calculus readiness exam.

If you have taken some calculus but do not have an AP or IB exam score which reflects your experience, you should take the calculus placement exam. Please note: If you have AP or IB (or transfer) credit for calculus, you do not need to take this placement exam.

The math exams take place on Friday, August 28, at 4:00 p.m., at the following locations:

- Math readiness examination: Higley Hall Auditorium
- Calculus readiness: Higley Hall Auditorium
- Calculus placement: Hayes Hall 109

Music: In order to take MUSC 121-122 (Music Theory), you must first take MUSC 101 (Basic Musicmanship). If you have any experience in music theory, we invite you to take the music theory placement test on Friday, August 28 at 9:00 a.m. If you pass this exam, you may place out of MUSC 101 and we will recommend that you take MUSC 121-122. In order to take other music theory courses or any music history courses numbered between 123 and 394, you must first (or place out of) MUSC 101 and have taken MUSC 102 (Introduction to Musical Style) and any other course prerequisites. (MUSC 102 may be taken concurrently with MUSC 121 or 122.) MUSC 101 and MUSC 102 are open to everyone. Note: If you are planning to take individual music lessons or participate in a department ensemble, you need not take the placement test or MUSC 101/ MUSC 102.

Biology: Scores of 4 and 5 on the Advanced Placement test receive 0.5 units of credit. Students with AP 5 receive credit for BIOL 115 and the department recommends beginning with BIOL 116. Those with AP 3 or 4 should start with BIOL 115. Students who have not taken the Advanced Placement course in biology but believe they have had an equivalent course should consult with the biology department chair, Karen Hicks.

Other departments: Information about placement for courses in other departments and programs will be presented at the Academic Department Fair on Friday, August 28, as listed in this booklet. Feel free to attend various presentations or to visit the different academic program tables, collect information, and have your specific questions answered.
