

# The Faculty Messenger

OFFICE OF THE PROVOST

MAY 2014

## NEWS AND INFORMATION:

### Reminders:

**Commencement:** A series of emails will be coming out soon regarding graduation events, watch your email for details about tickets to the lunch picnic and other festivities.

**Post-Commencement Party:** Kimberlee and Joe hope to see you all at the post-commencement party at their home on Saturday, May 17, 5-8 pm. Please park in the library parking lot. There will be shuttles running regularly between there and our home, beginning at 5 pm. We will have music by *The Professors*, apropos for this gathering. Bring your good cheer and welcome in the summer!

**Program & Department Chairs:** DOAR, GEAR and Annual Report Forms are all **due on Friday, June 27, 2014**. Please note that all programs and departments are required to submit these forms.

Your faculty-UCC matches have been made and all information has been communicated to faculty and students. Please take a moment to reach out and connect with your UCC! If you have some time to spare, it'd most likely be helpful to meet/Skype before the semester is over, particularly to share your advising style and what kind of UCC support would be most helpful to you in the summer and fall.
