<td>Propane Cylinders over 20 lbs.</td>
</tr>
</tbody>
</table>

**LATEX PAINT WILL NOT BE ACCEPTED AT DKMM HHW EVENTS**

To Dispose of Latex Paint:

- Air dry latex paint away from children and pets.
- Pour latex paint into a plastic lined cardboard box or add absorbent material, such as shredded newspaper or kitty litter. Some home improvement stores may sell an inexpensive latex paint hardener (check with your local store). Allow to dry completely.
- Throw the dried paint away with your trash and recycle the empty paint can.
- Air drying is not recommended of oil-based paint. However if the paint has solidified in a closed can, dispose of it in your regular trash.
- Save liquid oil-based paint for HHW collection.

*NOTE: 2008 HHW Events will be in Delaware and Morrow Counties*
