

Attention: Mr. Ron Griggs,

College costs and financial aid are generating considerable interest in this, the busiest time of the year for families planning for college. In a special effort to give students and parents even more support in choosing a college, Peterson's would like to provide them with the most up-to-date and accurate information on college costs as soon as possible.

Please use the space below to provide us with your institution's typical full-time undergraduate tuition, required fee, and room and board costs for the full 2007-2008 academic year (30 semester hours or 45 quarter hours for institutions that derive annual tuition by multiplying credit hour cost by number of credits).

You may notice the format is the same as the expense section of our annual Survey of Undergraduate Institutions. Reference values reported for 2006-7 are provided below. If 2007-08 tuition was reported to Peterson's during our most recent data collection cycle, the reported values are included below for your review and confirmation.

Replying to this e-mail will enable your updated information to appear on www.petersons.com before October 2007.

After you have entered the data below, simply reply to this e-mail message with your school's updated data. **Please submit updated tuition in the next ten (10) days.** If you have any questions, feel free to contact me at 1 (800) 338-3282, ext. 53516. Thank you for your ongoing participation with Peterson's.

Sincerely,
