### CIP OPTIONAL SESSIONS

#### Wednesday Morning:

10-noon - Open House at the Center for Innovative Pedagogy (CIP), 2nd Floor, Edwards House

#### Thursday Afternoon:

##### **Is it covered by copyright?**

Join us for a session on copyright and licensing in higher education. We'll cover applying fair use in the classroom, public performance rights, licensing & Creative Commons, and course reserve materials. Whatever questions you have about copyright, we're here to help you find the answers!

**Thursday, 8/15, 2pm-3pm in Library A. classroom**

**Introduction to Moodle, Kenyon's Course Management System** - A hands-on introduction to Kenyon's learning management system, Moodle. Bring a syllabus and we'll work on getting your materials online! **Thursday, 8/15, 2pm-4pm in Roth Computer Lab (Pierce Hall L09)**

#### Friday Morning:

##### **Digital Accessibility Tips-**

Come learn about things you can do to make your instructional materials more accessible and inclusive. We'll share plenty of resources to get you started

**Friday, 8/16, 10am-11am in Roth Computer Lab (Pierce Hall L09)**

##### **Mimosas with the Librarians**

Learn how to make your assignments library-friendly during our time of transition. While the new library is still under construction, and our books are stored remotely, this does not mean you and your students cannot use our collection successfully. Spend the morning with our librarians developing a class assignment, designing a library instruction session for your class, and meeting your department's library

liaison. *Fun fact: Did you know our library subscribes to over 390 online databases, journal and ebook collections, and other research resources? Friday, 8/16, 10am-Noon in Library A. classroom*

### **Classroom Assessment Techniques**

Trying to find a way to improve class participation, or just interested in mixing up the daily routine? Join us for a friendly, hands-on introduction to CATs (Classroom Assessment Techniques) and discover the right activities to meet your course needs.

***Friday, 8/16, 11am-noon***
